SQA EXAMINATIONS

All students in the school must be aware of the following information during the examination period. These are very important exams for the students in the senior phase and as a school we need to ensure we give them the best opportunity to succeed. Please take note of the following information.

- Please keep the noise to a minimum in the corridors of the school, exams take place throughout the building and not just in the exam hall.
- At break and lunch exit the building as soon as possible as exams often go through break and lunchtimes.
- When outside, students should please avoid the steps outside the assembly hall (in the quad).
- Please be aware of the red examinations signs outside classrooms and workroom as exams are taking place and therefore you must be quiet around these areas.
- The area in front of the exam hall usually has barriers across indicating that exams are taking place. Under no circumstance are you allowed to go through this area.
- Please follow any instructions given by members of staff, including the visiting invigilators.
