Study Tip of the week	You *cannot* multi-task. This doesn't mean you *shouldn't* - it means you *can't*. It *harms* learning, so park the phone in another room.

ARTICLE 30 (children from minority or indigenous groups)
Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.

BERWICKSHIRE HIGH SCHOOL TURNS BLUE FOR WORLD CHILDREN'S DAY 🩶
Celebrating children's rights - My Day, My Rights, My Future
On Friday 20 November, Berwickshire High School will be supporting World Children's Day by taking part in UNICEF's Go Blue campaign.
We are inviting all pupils and staff to show their support by wearing their normal school uniform, with something blue added. This could be a blue hair accessory, ribbon, badge, socks or another blue accessory. Please remember that school uniform should still be worn as normal.
This year's theme: My Day, My Rights, My Future
This year's theme highlights the importance of listening to children and young people, recognising their rights and ensuring they have opportunities to influence decisions that affect their lives and shape their futures.
At Berwickshire High School, we are committed to creating a school community where every young person feels valued, respected, included and listened to. We want our pupils to understand their rights, know how to express their views and have confidence that their voices can make a difference.
🩶 Let's see Berwickshire High School turn blue! Together, we can celebrate children's rights and make sure every young person's voice is heard — on World Children's Day and every day.
