

## Berwickshire High School

### Senior School Homework Programme, 2022-23

In order to learn and achieve the best that you can, you will need to study and do work at home. Assessments in class and in exams will require you to recall knowledge and be able to apply it. **Learning core knowledge is one of the most important things that you can do to get the best results you can.** To help you do this, each faculty has provided details of the homework tasks that you can typically expect to be given for each course.
